

Naughts & Crosses Relay

15 min

THIS ACTIVITY IS
BROUGHT TO YOU BY

Grade 0-2
 Grade 3-6

ACTIVITY TYPE:

PHYSICAL ACTIVITY

ACTIVITY OVERVIEW:

This activity helps children with strategy & problem solving.

ACTIVITY INSTRUCTIONS

1. Draw 9 circles on the ground with chalk to form a naughts & crosses board.
2. Place 12 markers in a pile at the starting point
3. At the same time, both you and your child will collect one marker from the starting point and run to place it in one of the circles.
4. Run back to collect your next marker and do the same. The first person to get 3 markers in a row wins!
